INSTRUCTION BOOKS

E-Z PLAY TODAY EXPLORING SERIES
Explore new techniques to enhance your playing with this unique series. These books explain how to use keyboard functions to improve your sound and spice up songs. Each book includes great songs so you learn as you play.

E2. EXPLORING CHORDS
This edition teaches “fingered” chords. Includes 252 chord diagrams; explains what fingered chords are and how they are played; and presents charts of the most common fingered chords for every note of the scale and in every position. Includes eight great songs: Bewitched • Everytime You Go Away • I Left My Heart in San Francisco • If You Remember Me • In the Mood • Love Is Here to Stay • Some Enchanted Evening • This Nearly Was Mine.

E5. EXPLORING DOUBLE NOTES
This supplementary book gives the keyboard player instruction on double notes, including the correct notes to play and how to come up with your own double note harmonies. It features 14 great tunes: Don’t Cry for Me Argentina • Kumbaya • Somewhere Out There • The Entertainer • more.

E6. EXPLORING RIGHT-HAND CHORDS
This book cuts through most of the technical material and gets right to the heart of how to add full chords to the melodies you play. Includes 14 songs: A Bicycle Built for Two • Down in the Valley • Fascination • The Longest Time • Sweet Caroline • The Wonder of You • more.

KID’S KEYBOARD COURSE
The Fun Way to Learn!

BOOK 1
This book teaches children how to use an electronic keyboard through easy instruction, color-coded notation and stickers, lots of illustrations, games and puzzles, and plenty of songs that kids will be able to play right away.

BOOK 2
This book picks up the instruction where Book 1 lets off and gets students into more aspects of making music. Like Book 1, it also contains lots of songs, puzzles, illustrations and fun!

GETTING STARTED
A BEGINNER’S LEARNING GUIDE
FOR ALL ELECTRONIC KEYBOARDS

GETTING STARTED
A clear and easy guide to getting the most out of your new electronic keyboard. Complete with easy instruction on playing techniques and using electronic keyboard features to enhance your playing. Includes songs that use the techniques demonstrated in the lessons, and comes complete with ABC key stickers to help you remember note names.

THE COMPLETE GUIDE TO MASTERING KEYBOARD STYLES
by Steve Lodder and Janette Mason
Backbeat Books
The latest installment in Backbeat’s successful Handbook Series, The Keyboard Handbook is a step-by-step course in keyboard playing for musicians of all levels. Beginning with the basics of posture and technique, it offers a series of more than 80 specially written exercises and covers a wide variety of classic and contemporary musical styles – from blues to rock, soul to funk, gospel to synth-pop. The accompanying CD showcases a range of different electric and electronic keyboards, and features audio tracks of all of the examples shown in the book, allowing readers to work their way through each section at their own pace, while the lay-flat binding means the book is easy to use at the keyboard or with a music stand. The Keyboard Handbook also includes a straightforward guide to reading music and covers various aspects of music theory, including rhythm, scales, chords, and more.
