

The Petersen Music Stand

Because music is
challenging
enough.

NEW!
Aluminum alloy
support tubes for
super-stability.

The power of versatility.

The more versatile you are as a musician, the further you'll go.
We think the same applies to a music stand.

The revolutionary, feather-light *Petersen Music Stand* (with a compact gig-friendly shoulder bag) defies the standards – for unprecedented portability. *It's innovation any artist can appreciate.*
