### North Pole Musical

One Singular Sensational Holiday Revue

John Jacobson/Mac Huff

Auditions are underway for the 400th Anniversary of North Pole Musical, and everyone is in a panic! The dancing Reindeer are "hoofin' it," but don't know what to do with Rudolph and his 4 left hooves. The elves—tired of always getting the short end of the stick—are singin' the blues. The snowmen are "chillin'" but worried about the hot lights, and the toys are trying to do the entire Nutcracker Suite in 3 minutes! The show keeps getting bigger each year, but is bigger really better?
