MUSIC THEATRE INTERNATIONAL  
**BROADWAY  
 JUNIOR™**

**60 MINUTE MUSICALS**

**Singin' in the Rain JR.**

The "Greatest Movie Musical of All Time" is faithfully and lovingly adapted by Broadway legends Betty Comden and Adolph Green from their original award-winning screenplay in *Singin' In The Rain JR.*

*Singin' In The Rain JR.* has all the makings of a Tinseltown tabloid headline - the starlet, the leading man and a love affair that could change lives and make or break careers! In silent movies, Don Lockwood and Lina Lamont are a hot item, but behind the scenes things aren't always as they appear on the big screen! Meanwhile, Lina's squeaky voice might be the end of her career in "talking pictures" without the help of a talented young actress to do the talking and singing for her.

**James and the Giant Peach JR.**

Roald Dahl's *James And The Giant Peach* is now a musical for the whole family to enjoy!

When James is sent by his conniving aunts to chop down their old fruit tree, he discovers a magic potion, which results in a tremendous peach and launches a journey of enormous proportions. Suddenly, James finds himself in the

center of the gigantic peach among human-sized insects with equally oversized personalities! However, after it falls from the tree and rolls into the ocean, the group faces hunger, sharks and plenty of disagreements. Thanks to James' quick wit and creative thinking, the residents learn to live and work together as a family to get home.

**Elf the Musical JR.**

A title known the world over, *Elf The Musical JR.* (based on the 2003 movie) is a must-produce holiday musical that can easily become an annual tradition for any theatre.

Buddy, a young orphan, mistakenly crawls into Santa's bag of gifts and is transported to the North Pole. The would-be elf is raised unaware that he is actually a human, until his enormous size and poor toy-making abilities cause him to face the truth. With Santa's permission, Buddy embarks on a journey to New York City to find his birth father and discover his true identity. Faced with the harsh reality that his father is on the naughty list, and his stepbrother doesn't even believe in Santa, Buddy is determined to win over his new family and help New York remember the true meaning of Christmas.

The magic tree house whisks Jack and Annie back in time to the foggy streets of Victorian London, where they must help Charles Dickens. But the famous author has everything he could possibly want. How are they supposed to help him? It's not until Mr. Dickens rescues them from being thrown in jail that they discover his secret past and the sad memories that haunt him. Jack and Annie will need all their magic—and help from three ghosts - to save the great writer.

### Adiemus

Boosey & Hawkes  
 Contemporary Choral Series  
*Karl Jenkins*

The major work *Songs of Sanctuary* (of which "Adiemus" is the first movement) was conceived in the European classical tradition. Already one of the world's most popular works, this new SA voicing of the opening movement will allow directors and singers to explore pure sounds and raw emotions in the music. Strings and percussion available on rental from Boosey & Hawkes.
