A Contemporary Kids Musical for Every Season

Annette Oden/arr. Jeff Sandstrom
Integrity Choral

More than just a title, it's the absolute truth! Featuring ordinary kids, this musical gives new voice to the worship children already experience. Tyler plays baseball, loves video games, comes in late to choir, disrupts what's going on and asks *lots* of questions. He doesn't understand why everyone is making such a big deal about worship. With the help of his friends, each of whom brings something authentically wonderful to the story, Tyler begins to connect to his created purpose: to know and worship Jesus. Like Tyler, your kids will sing, "Lord, I choose to worship You."
