A word of advice from Elvin Jones. "Gretsch"

Elvin Jones has everything from superb individual technique to tremendous creativity. As a great talent and winner of countless jazz polls, he knows what makes Gretsch drums great. Elvin plays the new Gretsch Snare Drum with the Lightning Throwoff—the throwoff so fast and modern, he can release it with just a flick. And that's an exclusive Gretsch feature! Whether you're up there like Elvin, or just starting to make your move, there's a Gretsch drum for you.
