Throughout this brochure, publications with companion CDs are marked with this icon:

CHANGE THE KEY, CHANGE THE TEMPO ON CDs

Our most recent companion CDs include new CD-ROM software that allows you to transpose to any key and change the tempo. You can even change the tempo without changing the pitch. This means that the key or tempo of accompaniment tracks on these enhanced CDs, when played in a computer as a CD-ROM, can be adjusted for an individual singer's needs.

This CD-ROM software, the Amazing Slow Downer was originally created for use in pop music, but we have adapted it for classical and theatre use. It is added without additional cost on recent companion CD releases. The transposing and tempo adjustment features work only when using these enhanced CDs in a computer, as a CD-ROM. The CDs also can be played on any conventional CD player.

Beyond new releases, as all of our vast number of vocal book/CD packages come up for rerun, we are adding the Amazing Slow Downer.

We value your comments and suggestions. Please send your comments to:

THE VOCAL LIBRARY

NEW COLLECTIONS WITH RECORDED PROFESSIONAL DICTION LESSONS AND ACCOMPANIMENTS

In the five collections that follow, the diction for each song is recorded twice: first recited as an actor would speak it, showing flow of the language and the mood, followed by a slow, deliberate lesson, allowing time for the student to repeat each line. These experienced language coaches adapt the “R” in German and French in the slow versions for singers. They also are very sensitive to liaisons between word sounds in the musical settings.

JOHANNES BRAHMS:

15 SELECTED SONGS
with CDs of diction lessons and piano accompaniments
includes historical notes, translations
and International Phonetic Alphabet

With diction lessons recorded by Irene Spiegelman, German diction coach at the Metropolitan Opera, and piano accompaniments recorded by Laura Ward, this collection of the most often taught Brahms songs is an excellent introduction to lieder. Contents: Botschaft • Dein blaues Auge • Die Mainacht • Feldinsamkeit • Immer leiser wird mein Schlummer • Meine Liebe ist grün • Mondnacht • O liebliche Wangen • O wüsste ich doch den Weg zurück • Sapphische Ode • Sonntag • Ständchen (Kugler) • Vergebliches Ständchen • Von ewiger Liebe • Wie Melodien zieht es mir.

Listen to sample diction and accompaniment recordings at www.halleonard.com.

FRANZ SCHUBERT:

15 SELECTED SONGS
with CDs of diction lessons and piano accompaniments;

A collection of essential Schubert songs for students. The diction lessons were recorded by Irene Spiegelman, German diction coach at the Metropolitan Opera. Contents: An die Musik • An die Nachtigall • Auf dem Wasser zu singen • Der Musensohn • Die Forelle • Du bist die Ruh • Ganymed • Gretchen am Spinnrade • Heidentöслlein • Im Frühling • Lachen und Weinen • Nacht und Träume • Rastlose Liebe • Ständchen • Seligkeit.

GABRIEL FAURÉ:

50 Songs by 29 Composers
G. Schirmer, Inc.

This comprehensive collection is the best one-volume source available on the topic, with a mix of familiar recital standards and intriguing material awaiting discovery. Includes composers from c. 1900 into the 21st century. Some songs make their first published appearance in American Art Song: Gian Carlo Menotti’s moving “The Old Man’s Song,” Michael Tilson Thomas’ inspired “Grace,” dedicated to Leonard Bernstein, and Aaron Jay Kernis’ “A Good Boy,” as well as a boogie-woogie art song by the editor, “Blue Monday.” The same songs appear in High Voice and Medium/Low Voice.

VOCALISSES & PEDAGOGY

GUISEPPE CONCONE:
50 LESSONS OPUS 9
Ricordi
Giuseppe Concone (1801-1861) is best recognized throughout the world for his didactic works for the voice. Among his rich and extremely varied production, the 50 Lezioni op. 9 is particularly outstanding, a most successful publication with numerous reprint editions. There is indeed abundance of “simple, expansive melodies with a regular rhythmic pulse” in these Lezioni, thus allowing the medium of the voice to develop gradually, without forcing. The piano part is sober and striking. Finally, the composer provided numerous dynamic indications and strove to maintain rhythmic variety throughout. Introduction in Italian and English. Beginners to intermediate. 2 CDs of piano accompaniments.

HEINRICH PANOFKA:
24 VOCALIZZI, OP. 81
AND
24 VOCALIZZI PROGRESSIVI,
OP. 85
with 2 CDs of piano accompaniments
Ricordi
Panofka (1807-1887) was one of the great 19th century voice teachers. His background as a violinist and composer greatly informed these athletic bel canto vocalise compositions. Op. 81 is for soprano, mezzo-soprano or tenor. Op. 85 is for all voice types except bass. Singers will find rewarding progress using the accompaniment CDs.
50486344 Book/2 CDs Pack ...........................................$19.95

FRANCESCO PAOLO TOSTI:
50 PETITS SOFLEGES
Ricordi
Texts in Italian and English. This collection of a part of Tosti’s solfeggi should be doubly welcome to modern musicians. From the didactic point of view it could significantly expand the horizons of singing practice, and at the same time this same material should make a valuable contribution to the study of Tosti’s complex artistic personality. 2 CDs of piano accompaniments are included.

Diction lessons on each aria in the series recorded by top language coaches from The Metropolitan Opera and The Juilliard School plus International Phonetic Alphabet and word for word translations  
(release date: July, 2008)

2 or 3 CDs per package

With these book/CD packages that match the standard aria collections edited by Robert L. Larsen, any singer anywhere has access to the best diction coaching available at a very affordable price. Each aria is recorded twice. In the first version the coach recites the text as an actor would speak it, showing flow of the language and the mood. The second version is a slow, deliberate lesson, allowing time for the student to repeat each line. These experienced language coaches adapt the "R" in German and French in the slow versions for singers. They also are very sensitive to liaisons between word sounds in the musical settings. The book includes International Phonetic Alphabet for each aria and word for word translations.

The native speaking professional diction coaches from the Metropolitan Opera and the Juilliard School are: Corradina Caporello for Italian, Pierre Vallet for French, Irene Spiegelman for German, Kathryn LaBouff for English, Yveta Synek Graff for Czech, and Gina Levinson for Russian.
