ONLINE

www.halleonard.com/dealers

It's 10:30pm, and you're closing up shop. But you notice that you're sold out of some Hal Leonard bestsellers. And, you're curious if your customer's special order will be arriving tomorrow. Do you have to wait 'til morning to call your Hal Leonard rep? Not anymore! **Hal Leonard Online Dealer Access** is like having your very own Hal Leonard sales representative working for you around the clock.

Here are just a few things you can do at this innovative, user-friendly site:

• SEARCH FOR SONGS AND PRODUCTS

You'll find complete product descriptions and images, and helpful information on a product's current status: ready to ship, not yet published, temporarily on backorder, or out of print. You can also do a search by song title to see which publications contain the tune you need.

• PLACE AN ORDER

You can select which store location to ship to, how soon you need the order to arrive and via which carrier; see the status of every product you're ordering, and a running subtotal; edit your order; and much more. You can even copy from an old order to start a new one or use the monthly *Hal Leonard Herald* as an electronic order form! Once you've placed an order, you'll get a confirming e-mail so you can be sure we've received it.

• DIRECT ORDER UPLOAD

You can build and submit your orders using a standard spreadsheet program such as Microsoft Excel or Lotus 1, 2, 3. Then, just follow the simple prompts to upload the document directly into the Hal Leonard system. A thousand-item order takes only seconds to upload!

• DEALER ACCESS XML API

Ever wish your internal systems could just order products when they are needed? The Hal Leonard Dealer Access XML programming interface is your answer to integrating the Dealer Access web site into your in-house computer systems. This interface allows true business-to-business communication between Hal Leonard Corporation and customers placing orders, without the time and expense of setting up traditional EDI. For more information, contact your Hal Leonard sales representative.

BY MAIL

For stock orders, simply indicate the quantity of each item you wish to order directly in this catalog and mail it back to us. A Hal Leonard Sales Representative will be able to provide you with replacement catalogs.

BY FAX

You may fax your order to 414-774-3259. Be sure to put "Attention: Sales" on your cover page, and include all of the information listed under "By Phone."

• SEE ORDER STATUS

The site's Order Status feature provides you with a convenient listing of your orders, whether they're active (all or part of the order hasn't shipped yet) or completed. Register at Dealer Access, and by the next business day, you'll see your order history posted for the past 30 days, *plus* every order you place from that day forward, whether through the website, or by phone or fax. Eventually, you will be able to peruse up to a year's worth of your orders, which you can sort by status, purchase order number, date, or Hal Leonard invoice number. If you want to track an order, just click on it to receive real-time information from UPS, Fed Ex or your preferred carrier.

HAL LEONARD ONLINE DEALER ACCESS ALSO FEATURES:

- Three month's worth of *Hal Leonard Heralds*, and other selected promotions that you can display and print
- Our Domestic and Canadian Dealer Policy Guides
- Info on our New Release Program
- A Calendar of Events
- Press Releases

- and much more!

We invite you to explore the site, and we welcome your feedback. Please feel free to forward any comments to your sales rep.
