

PIANO EDITIONS FOR THE 21ST CENTURY

The Schirmer Performance editions feature practical, teacher-friendly editions based on excellent sources, with fingering, insightful interpretive suggestions, and historical and stylistic commentary. The music has been newly engraved, printed on high-quality cream-colored paper. Many volumes have illustrative companion recordings.

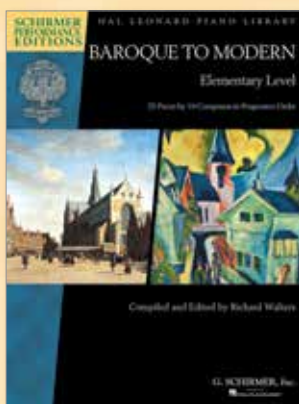

BAROQUE TO MODERN

Baroque to Modern presents music from the 1700s through the 1900s, with composer biographies and practice and performance tips. Organized by difficulty level, the music is presented in newly researched editions. Each volume is in progressive order.

OVER 100 VOLUMES, MANY WITH COMPANION RECORDINGS

Several volumes are now available in a "Book Only" option. These volumes have a black background to distinguish them from the cream color of the Book/Audio packages.

For the newer volumes with companion recordings, the package price includes a book and online audio access. The existing book/CD packages will convert to book/audio packages upon reprinting.
