NEW ORLEANS JAZZ STYLES

The tunes in *New Orleans Jazz Styles* are written for piano students of intermediate level. The composer-teacher believes that every student's musical education should include experiences in a variety of

popular stylings, including jazz, as a recurring phase of his or her studies. Students should also be encouraged to deviate from the written notes with their own improvisations if desired, for spontaneity is an essential ingredient of the jazz idiom.

New Orleans Jazz Styles

The five pieces of *New Orleans Jazz Styles* are written for piano students of intermediate level. Gillock believed that every student’s musical education should include experiences in a variety of popular stylings, including jazz, as a recurring phase of his or her studies. Students should also be encouraged to deviate from the written notes with their own improvisations if desired, for spontaneity is an essential ingredient of the jazz idiom.

**Concerto No. 1 for Solo Piano and Strings**

2 Pianos, 4 Hands

Mid-Intermediate Level

This C Major concerto is classically-inspired, and the outer movements recall Mozartean elegance intermingled with a dash of Haydn-esque humor. The second movement is warm and lyrical, and deeply inspiring. The concerto is perfect for students anxious to play (but not quite ready for) the daunting concerto repertoire. The packaging includes a 2nd Piano insert, as well as a CD recording of Peskanov playing both the accompanying piano part and the solo piano part. NFM choice 2008-2010 and 2011-2013.
