## HECTOR BERLIOZ: HYMNE SACRÉ

WIND SEXTET

arr. Nicolas Prost

*Schott*

This arrangement written by Nicolas Prost in 2016 is a free reconstitution of the lost work *Sacred song for the instruments of Sax*. Adolphe Sax himself

played the saxophone part at the premiere, the first time that the instrument was heard in a concert.

49045499 Score and Parts..... \$16.99

## JOHN CORIGLIANO: SOLILOQUY

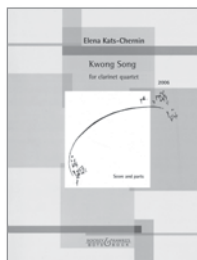

CLARINET AND STRING QUARTET

G. Schirmer, Inc.

From the composer: *Soliloquy* was written in memory of my father, who died on September 1, 1975. He had been a concertmaster of the New York

Philharmonic for 23 years, and I still find it hard to think of that orchestra without him sitting in the first chair. So the idea of an extended dialogue for clarinet and violin seemed not only natural but inevitable. The *Soliloquy* begins with a long, unaccompanied line for the violin. The other strings enter, and a mood of sustained lyricism introduces the clarinet. The prevailing feeling is that of desolation.

## ELENA KATS-CHERNIN: KWONG SONG

CLARINET QUARTET (3 CLARINETS  
AND BASS CLARINET)

*Bote & Bock*

In this short piece, a chaconne-like bass line and a longing melody frame the two middle parts which progress in a steady rhythm and with charming harmonic friction.

48024069 Score and Parts..... \$24.99

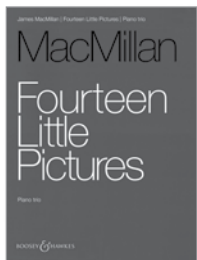

## ELENA KATS-CHERNIN: SILVER POETRY

PIANO TRIO

*Bote & Bock*

From the Composer: This piece is based on Chopin Nocturne in C-sharp Minor. It was written as part of a suite called *Silver Poetry*, in honor of the flute of the same name, made specifically for a friend in Germany, a flautist Christiane Meininger. This Suite formed a part of my Fellowship of the Australia Council and it consists of 12 pieces.

## JAMES MACMILLAN: 14 LITTLE PICTURES

PIANO TRIO

*Boosey & Hawkes*

*Fourteen Little Pictures* for piano trio is a set of 14 separate miniatures, stitched together and interwoven to form a single through-composed work, lasting about 25 minutes.

### HARRISON BIRTWISTLE: IN BROKEN IMAGES: AFTER THE ANTIPHONAL MUSIC OF GABRIELI

Boosey & Hawkes

Harrison Birtwistle's *In Broken Images* took as its starting point the music of Giovanni Gabrieli with its interplay between groups of instruments, but rather than emulating the Venetian composer's use of echo effects and ritornelli, Birtwistle's work tracks an independent path in which the music is in a permanent state of exposition.
