### CHAPTER NOTATION REVIEW

#### Whole and Half Steps

- Write the letter names on or above each key marked with a dot.
- Write 1/2 for half step, or, W for whole step, below all paired keys.
- Play all paired keys to hear the difference between half and whole steps.

#### Guide Note Review

- Write the letter name for each guide note.
- Say note names as you play all notes, using a curved third finger of each hand. Repeat until easy to play.
