50 Volumes of the Greatest Classical Orchestral Works

The Eulenburg Audio+Score Series covers more than 200 years of the world's favorite classical music. Each of the 50 volumes consists of a clearly-presented and authoritative musical score, an informative preface detailing the biographical and creative background, and a Naxos CD containing the work in full length. Eulenburg Audio+Score is the new way to hear, read, and understand music for everyone from the casual music lover to the expert enthusiast.

Each volume is a study score with CD:

- A study score of the music, with an informative article
- A CD with a complete recording of the featured piece
